## General Meeting Federal Remediation Technologies Roundtable EPA Conference Center One Potomac Yard (South) 2777 South Crystal Drive, Arlington, VA 22202 June 5, 2008

## PRELIMNARY AGENDA

8:30 a.m.	Welcome/Opening Remarks/FRTR Member Announcements	Norman Niedergang U.S. EPA/Office of Superfund Remediation and Technology Innovation (OSRTI)
9:10	FRTR Website Revision Discussion (tentative)	John Kingscott, EPA/OSRTI
9:30	BREAK	
	Sediments Remedial Technolog	у
9.45	Panel Status of Sediment Remediation	Carol I Dona U.S. Army

9:45 Panel, Status of Sediment Remediation Work and/or Policy – EPA, Navy, Army, Army Corps, SERDP/ESTCP, USGS, States (each speaker will provide a 10-15 minute overview) Corps of Engineers (USACE), Center of Environmental and Munitions Expertise, technical meeting facilitator

Steve Ells, EPA/OSRTI

Kim Parker Brown Naval Facilities Engineering Command (NAVFAC)

Todd Bridges, Army Engineering Research and Development Center (Army ERDC), Coastal and Hydraulics Laboratory (CEERD-EM-D)

> Andrea Leeson (tentative) U.S. Department of Defense (DoD) SERDP/ESTCP

Kim Ward, New Jersey Department of Environmental Protection and the Interstate Technology and Regulatory Council (ITRC)

11:45	Collect and Discuss Ballots for Future Meeting Topics	
12 noon	Lunch (Provided)	
12:20	Remedy Optimization and Adaptive Management	Todd Bridges, Army ERDC, CEERD-EM-D
12:50	Streamlining Records of Decision and Baseline Ecological Risk Assessments	Dawn Hayes, NAVFAC Atlantic
1:20	Containment Monitoring Strategies (Web-based) for Sediment Sites	Victoria Kirtay, NAVFAC
1:50	Dredging in Sediment-Containing Munitions and Explosives of Concern (MEC)	George Follett, USACE, Baltimore District
2:20	Break	
2:40	Sediment Dredging at Superfund Megasites: Assessing the Effectiveness	Karl Gustavson, Army ERDC, Construction Engineering Research Laboratory (CEERD- EP-R), Temporary Assignment to EPA/OSRTI
3:10	In Situ Technologies for the Remediation of Contaminated Sediments	Kelly Madalinski, EPA/OSRTI
3:40	Active Caps for Remediation of Contaminated Sediments	Anna Knox, U.S. Department of Energy Savannah River National Laboratory
4:10	Wrap-up/Next Steps/Next Meeting Agenda	Norman Niedergang USEPA/OSRTI
4:30	ADJOURN
