

Federal Remediation Technologies Roundtable General Meeting

November 6, 2014 at 8:30 a.m. EST
Rockville, MD

Meeting Location

U.S. Nuclear Regulatory Commission (NRC) Headquarters Auditorium
Two White Flint North Building
11545 Rockville Pike
Rockville, MD 20852-2738

Building Security

Please arrive at 8:00 a.m. to allow extra time to go through security when arriving for the meeting. All non-NRC employees please be prepared to present a valid drivers license and another picture identification (federal employees may use their badge as the second identification) to the guards at the guard station upon entering the auditorium side entrance (please see map and instructions on how to enter the building in the "Metro" section below).

Note: You may be subject to security screening by guards through metal detectors and/or x-ray equipment.

Parking

There is very limited metered parking on Marinelli Drive near the NRC campus. There is very expensive parking in the nearby Metro parking garage off of on Marinelli Drive, and you must have a Metro SmartTrip card (see: <http://www.wmata.com/fares/smartrip/>) to pay the expensive parking fee to exit the Metro parking garage.

Metro

The easiest access to NRC's Headquarters campus is via the Metro on the Red Line. The NRC campus is located adjacent to the White Flint Metro stop. Reagan National Airport and Union Station (AMTRAK) both have Metro stops. Although Dulles International Airport is not serviced by Metro, there is Fairfax Connector Shuttle bus (#983) to the Metro (10 minute ride to the Wiehle-Reston Station on the Silver Line). Baltimore-Washington International (BWI) Airport is not directly accessible to the Metro but is accessible to AMTRAK (at scheduled times) which stops at Union Station which has a Metro stop on the Red Line. Metro information is at: <http://www.wmata.com/>

Please enter the NRC headquarters building through the "auditorium side entrance" behind the Two White Flint Building. The arrows in the picture to the right indicate how to go around the building through a security gate to the side entrance. NRC security guards will then direct you to the side entrance.
